March 16

Dear Pat & John,

Unfortunately it is impossible from anyone from Sydney CIET to get to the March 19 meeting.

Here, we will be producing a leaflet for mass distribution at the March 27 nuclear disarmament rally which will be available if thought useful interstate. It will include the full text of the ALP National Conference resolution on East ~~Timor~~ Timor and request that letters be sent to Hyaden and Hawke asking them to carry out that policy in full, and that people in ALP and union branches pass resolutions along similar lines and forward them. I think it is particularly important to get such resolutions, letters etc flowing in as quickly as possible, before Hayden goes to Jakarta.

Second, I have written to Abilio re he and Jose R-H making a tour here possibly next month. I will have a better idea if that is possible early next week and will phone you as soon as I have some idea. Someone will be back from seeing Abilio by then.

After the leaflet, we'll try here to get unions state or nationally to endorse resolutions backing the ET ALP resolution and perhaps church/aid bodies should be approached to do the same.

Please keep in touch and send decisions of meeting ASAP.

Yours,

Denis Freney
